

Given the exceptional circumstances surrounding the COVID-19 pandemic, the VLGA is taking measures to ensure the safety of our members and staff.

Following the recent updates to guidance from authorities, in an effort to protect the health and well-being of our network, we have had to make adjustments as to how we deliver services and engage with members.

While we are rescheduling our in-person events and Local Government Candidate Training we will continue to work on alternate delivery mechanisms and initiatives that deliver value to and support our members during this uncertain time.

We will be monitoring the situation closely and provide updates on future "in-person" events when available.

We are acutely aware of the challenges facing member councils across Victoria during this exceptional time and are committed to continuing to support you.

The VLGA is thinking of you during this time. Please contact us if we may be of any assistance.

For further information please contact Liddy on 0403 542 411
